Pure Iranian Natural Honey

All Golverdi honey products are tested and verified by **SGS**, one of the world's leading inspection, verification, and certification companies, to ensure compliance with international quality and safety standards

Golverdi is a natural honey brand by Rahmani Group, produced from carefully selected apiaries across Iran, renowned for their rich flora and diverse botanical sources. Our honey is harvested, extracted, processed, and packaged using modern technology and hygienic production lines, under strict quality control standards. This ensures the preservation of its natural enzymes, authentic aroma, rich flavor, and nutritional value, without any additives or artificial ingredients.
